

We would like to invite you to our workshop about European Science Projects in Laboratory fields:

The purpose of the event is to show the Swiss companies, what the European research area is doing in the area of laboratory fields of technology and how Swiss companies can participate in these research programs.

The event is in collaboration with [Mr. Patrick Courtney](#), [EURESEARCH](#) and [Toolpoint](#).

Date: 28 September 2017

Venue: Kongress + Kursaal Bern AG, Kornhausstrasse 3, 3000 Bern 22

Costs:	Non Toolpoint-Member	Fr. 150.--
	Toolpoint-Member	Fr. 100.--
	Premium Toolpoint-Member	for free

Partner:

Agenda:

09:00 a.m.	Address of Welcome	Hans Noser, Toolpoint Stefan Fischer, Euresearch
09:15 a.m.	Key note	Patrick Courtney, tec-connection Head of Laboratory Robotics Topic Group within euRobotics/ European Commission
10:05 a.m.	Coffee Break	
10:30 a.m.	Testimonial, Case Qiagen	TBA
11:00 a.m.	Enterprise Europe Network - Innovation and Technology Partner Support	Emile Dupont, EEN Euresearch
10:30 a.m.	Opportunities for Engineering Service Providers in Horizon 2020	Stefan Fischer, Euresearch
12:00 p.m.	Lunch	
13:00 p.m.	Opportunities in Horizon 2020	Stefan Fischer, Euresearch
13:15 p.m.	SME Instrument, FET-Open, Fast Track to Innovation	Gerhard Gass, Euresearch
14:15 p.m.	Health	Sasha Hugentobler, Euresearch
14:45 p.m.	Robotics, IoT, Big Data	Stefan Fischer, Euresearch
15:25 p.m.	Coffee Break	
15:45 p.m.	Cyber Security	Jöel Graf, Euresearch
16:15 p.m.	The Active and Assisted Living Program	TBA
16:55 p.m.	End of the Event	

Registration per email to janet.grolimund@toolpoint.ch until 20 September 2017.
